

Attention please: Due to road works and to avoid to be misled by the GPS which might not be updated yet, please follow carefully the driving instructions below:

From Nice, Marseille or Lyon on the motorway A8-A7, take the AVIGNON NORD exit and drive towards AVIGNON CENTRE VILLE along the river on your right-hand side and then between the river and the old city wall (built by the Popes in the 14th century) on your left until the gate PORTE DE LA LIGNE. Go through the gate and turn immediately right to follow the city wall on the inside and then RUE BANASTERIE, then turn left on RUE DES TROIS COLOMBES, down the street turn right on RUE DES 3 PILATS and continue on RUE BERTRAND ; then turn left on RUE BANASTERIE. Down the street you will arrive on PLACE DES CHATAIGNES where you will find on your right the bollards to access LA MIRANDE's car park.

Coming from anywhere else (TGV train station, ...) you can drive around the old city wall clock-wise or anti-clock-wise until you reach the gate PORTE DE LA LIGNE, where the river comes closest to the city wall.

If for some reasons the above access to La Mirande through gate PORTE DE LA LIGNE is not available (road works, moving, ...), please call us +33 4 90 14 20 20 ; our team will be able to guide you over the 'phone.

On certain days the pedestrian mall is extended and controlled by traffic wardens you have to show our written confirmation of your reservation in order to drive on.
